CHAIRMAN'S MESSAGE

FOR around 15 years, “Gilgit Baltistan Overseas Employment Corporation” has been a mission driven organization with its unique understanding role in the human resource exploration and development industry. We help client’s operation more effectively and ethically. We connect people with the possibilities of meaningful exchange of skillfulness (works) and in the process we promote to build more sustainable communities in which one lives and works under universalization. Our deep understanding of client’s ambitions and satisfactions towards the potential of human, give us the ability to capitalize on hidden values and opportunities, so everyone can achieve more than the vested imagination.

We strongly believe in public welfare by playing a pivotal role in reducing unemployment, generating foreign reserves, improving living standards through creations of jobs for the poor and needy people of our country. 20,000 Pakistani workers recruited are testament to our professionalism, success & welfare.

Wali Jan

Chairman

VISION:

Our vision as an overseas employment corporation that has been working for two decades is to continue to be a trusted and reliable partner for both job seekers and employers. We aim to leverage our wealth of experience and industry knowledge to provide innovative solutions that address the evolving needs of our clients in an ever-changing global marketplace.

MISSION:

Our mission as an overseas employment corporation is to empower skilled workers around the world to achieve their career aspirations by connecting them with high-quality job opportunities abroad. At the same time, we aim to help businesses find the talent they need to succeed in a global marketplace.

OBJECTIVES:

1. To identify and recruit talented individuals with the skills and expertise needed to meet the demands of employers around the world.
2. To build a strong network of reputable employers in key industries and sectors, in order to provide a wide range of high-quality job opportunities for our candidates.
3. To provide comprehensive support services to our clients throughout the entire employment process, including visa and immigration assistance, language and cultural training, and other logistical support as needed.
4. To continuously monitor and evaluate the effectiveness of our recruitment and placement processes, in order to ensure that we are providing the best possible service to both job seekers and employers.
5. To maintain the highest standards of professionalism, ethics, and customer service, in order to build trust and confidence with our clients and stakeholders.
6. To stay at the forefront of emerging trends and technologies in the global employment landscape, in order to remain agile, adaptable, and responsive to changing market conditions and customer needs.
7. To promote a culture of inclusivity, respect, and diversity, and to create equal opportunities for all our clients and stakeholders.
8. To foster a dynamic and innovative working environment that values creativity, collaboration, and continuous learning.
9. To contribute to the economic development of the countries in which we operate by connecting skilled workers with job opportunities that help drive growth and prosperity.
10. To be a responsible and socially conscious corporate citizen, by engaging in sustainable and ethical business practices, and by giving back to the communities in which we live and work.

GOAL:

Our goal as an overseas employment corporation is to facilitate the placement of skilled workers into high-quality job opportunities abroad, while also helping businesses around the world find the talent they need to succeed.

To achieve this goal, we will focus on building strong relationships with both job seekers and employers, leveraging our industry expertise and networks to identify the best matches for each party. We will also invest in cutting-edge technology and data analytics to enhance our recruitment and placement processes, ensuring that we can quickly and efficiently connect candidates with suitable job opportunities.

In addition, we will prioritize the development of comprehensive support services that help our clients navigate the complex legal and regulatory landscape of international employment, including visa and immigration requirements, language and cultural barriers, and other logistical challenges.

Ultimately, our goal is to create value for all stakeholders by providing innovative, reliable, and cost-effective solutions that help skilled workers achieve their career aspirations and businesses achieve their strategic goals. We are committed to pursuing this goal with the highest standards of professionalism, integrity, and customer service, and we look forward to playing a critical role in shaping the future of global employment.

INTRODUCTION TO GBOEC

At GBOEC we are committed to match both the client's and the candidate's needs for the perfect fitness. Our mission is to develop long term partnership with our clients to provide innovative, professional search services. These relationships are built on integrity, commitments and mutual trust. By exceeding our clients' expectations, we advance the achievement of their corporate goals, making GBOEC one of the most sought-after allies in the manpower job market.

Pakistan is the land of working people and our recruitment agency M/s; Gilgit Baltistan Overseas Employment Corporation (O.E.P.L #: MPD/2930/RWP) by ministry of manpower, government of Pakistan is proud to present itself as one of the leading suppliers of Pakistani manpower across the gulf countries.

As matter of the fact that, we have been active in manpower supply to gulf countries since 2003. Our principal market is in the middle east, far east, and African countries especially Kingdom of Saudi Arabia, Kingdom of Bahrain, United Arab Emirates, Kuwait, Sultanate Oman, Qatar, Iraq, Romania, Sudan, Malaysia, Ethiopia, Yemen etc. We have been pioneering in the field of manpower supply to these countries. We are the market leader in Rawalpindi Islamabad jurisdiction, providing reliable, fair & transparent & professional transactions, safeguarding both of the interest of employers & employees.

Karachi, Peshawar, Rawalpindi/Islamabad, Gilgit Baltistan are mainly our recruitment centers we have in Pakistan, covering about an area of about 1000 miles geographically. We are well equipped with an organized and integrated network of recruitment with the latest communication and information technology.

In the presence of our country wide coverage, we have an edge to locate, scrutinize, and recruit the most appropriate people as per the requirements of and standards of our valued & respectable clients.

Satisfaction of the employer is our prime consideration because our success lies there. Page #: 14 & 15 depicts a list of our prestigious clients, who can readily verify our credentials.

The number of Pakistani labors supplied to the middle east countries during around last two decades are more than 5000. Our honest, credible & reliable moral principles and high ethical values are the true cause of the satisfaction of our highly valued & respectable clients.

Arabic, English, Urdu, Hindi, Pushto, Punjabi, Shina & Khuwar are the languages, in which the chairmen of GBOEC, Mr. Wali Jan is able to communicate with the people of different backgrounds associated with this market for either purpose. His command over these languages & also his deeply extensive experience

in this specific market, which lasts for more than two decades give him distinctive edge over his direct competitors & his entrepreneurial spirit of growth & credibility is the core he is known for in this field.

Numerous companies have entrusted with their manpower requirements and authorized us to serve them for last more than two decades.

PROCESSING & OPERATION

The process how normally we start working with our valued & respectable potential clients, we normally sign contracts with the principal and as soon as we receive demand orders and power of attorney, the processing the immediately started further.

In our data server the enlisted applicants are sorted for the required specific job/trade, if the requirements are not met with the set standards of the principal, we advertise the demand in leading print media of Pakistan from across all metropolitan cities. Candidates are then formally called in for the interviews & oral trade evaluation. The short listed candidates are called for the trade test which is taken place at the certified and top rated Techni Test institute of Pakistan.

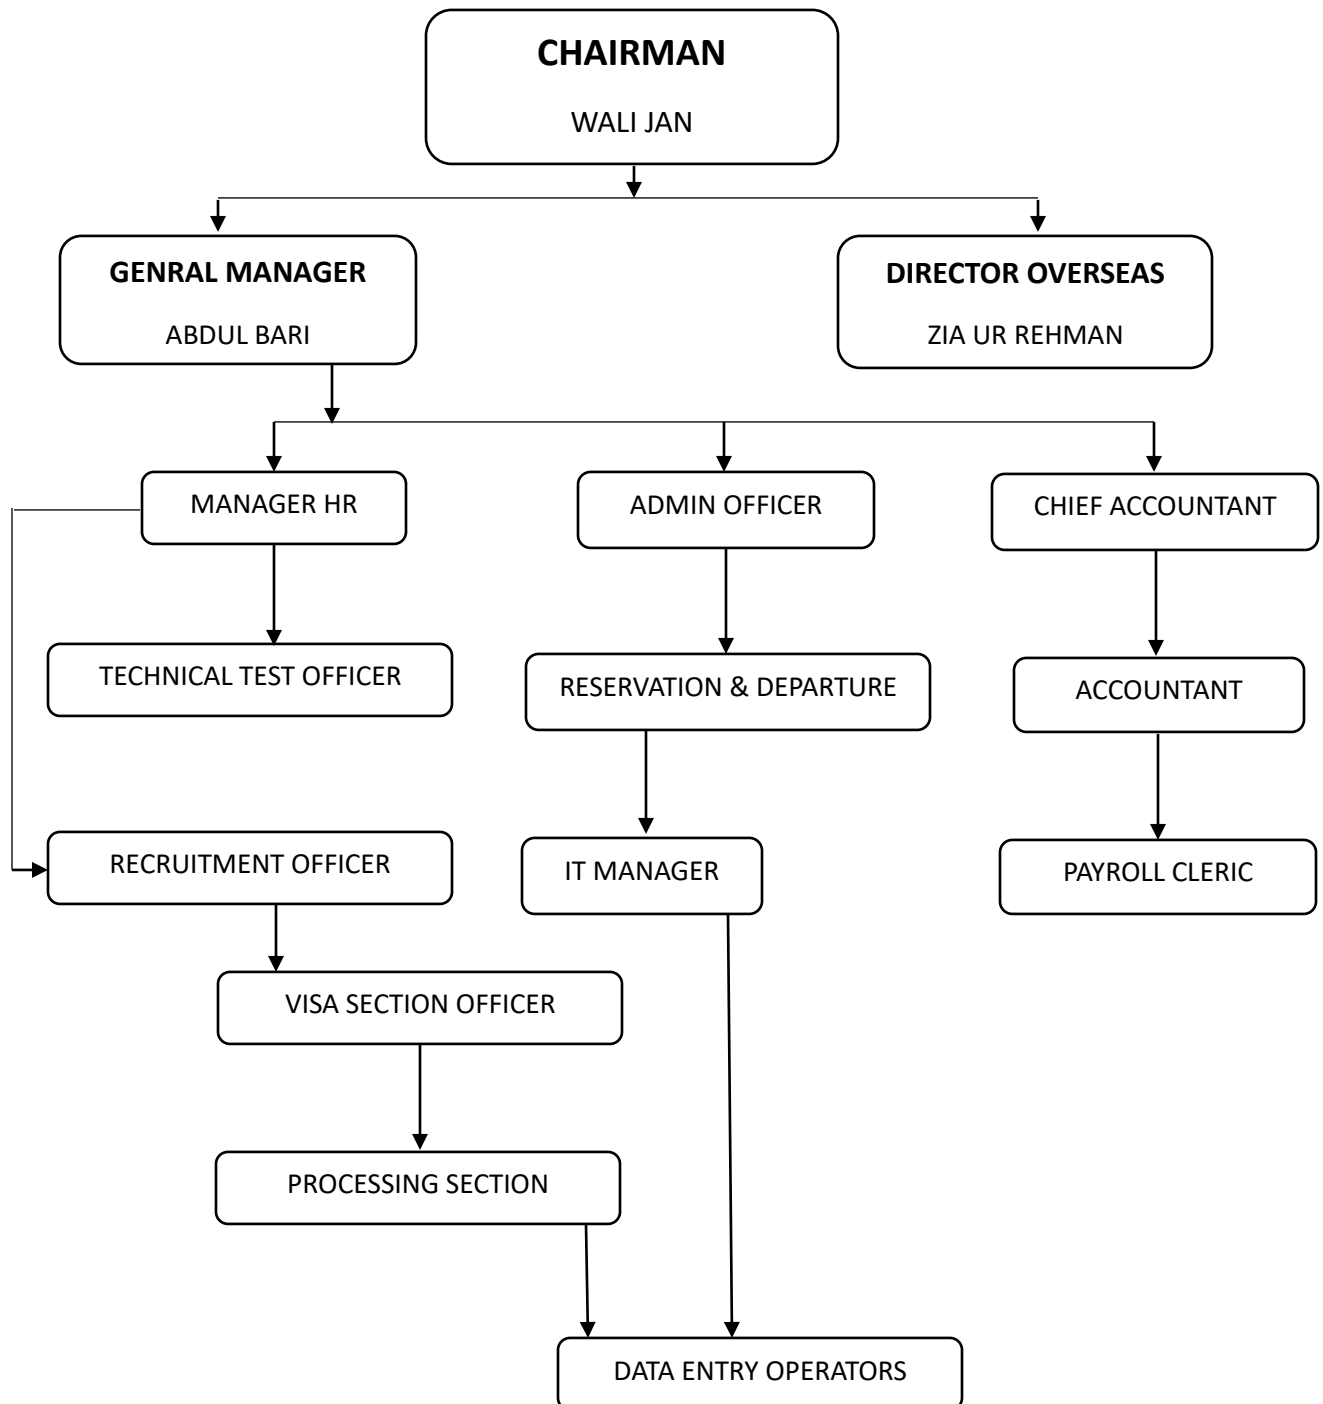

Medical tests are conducted strictly and only at the medical centers/hospitals approved and certified by the relevant embassy of the manpower demanding country. Meanwhile the list of the selected candidates is given to the principal for their analysis and final approval.

Endorsement of visa is taken up after receiving of "FIT" medical test result and after visa endorsement the flight information along with all other documents & info required to fly abroad is timely given to the principal and the documents required to process protector are duly submitted at Protector office.

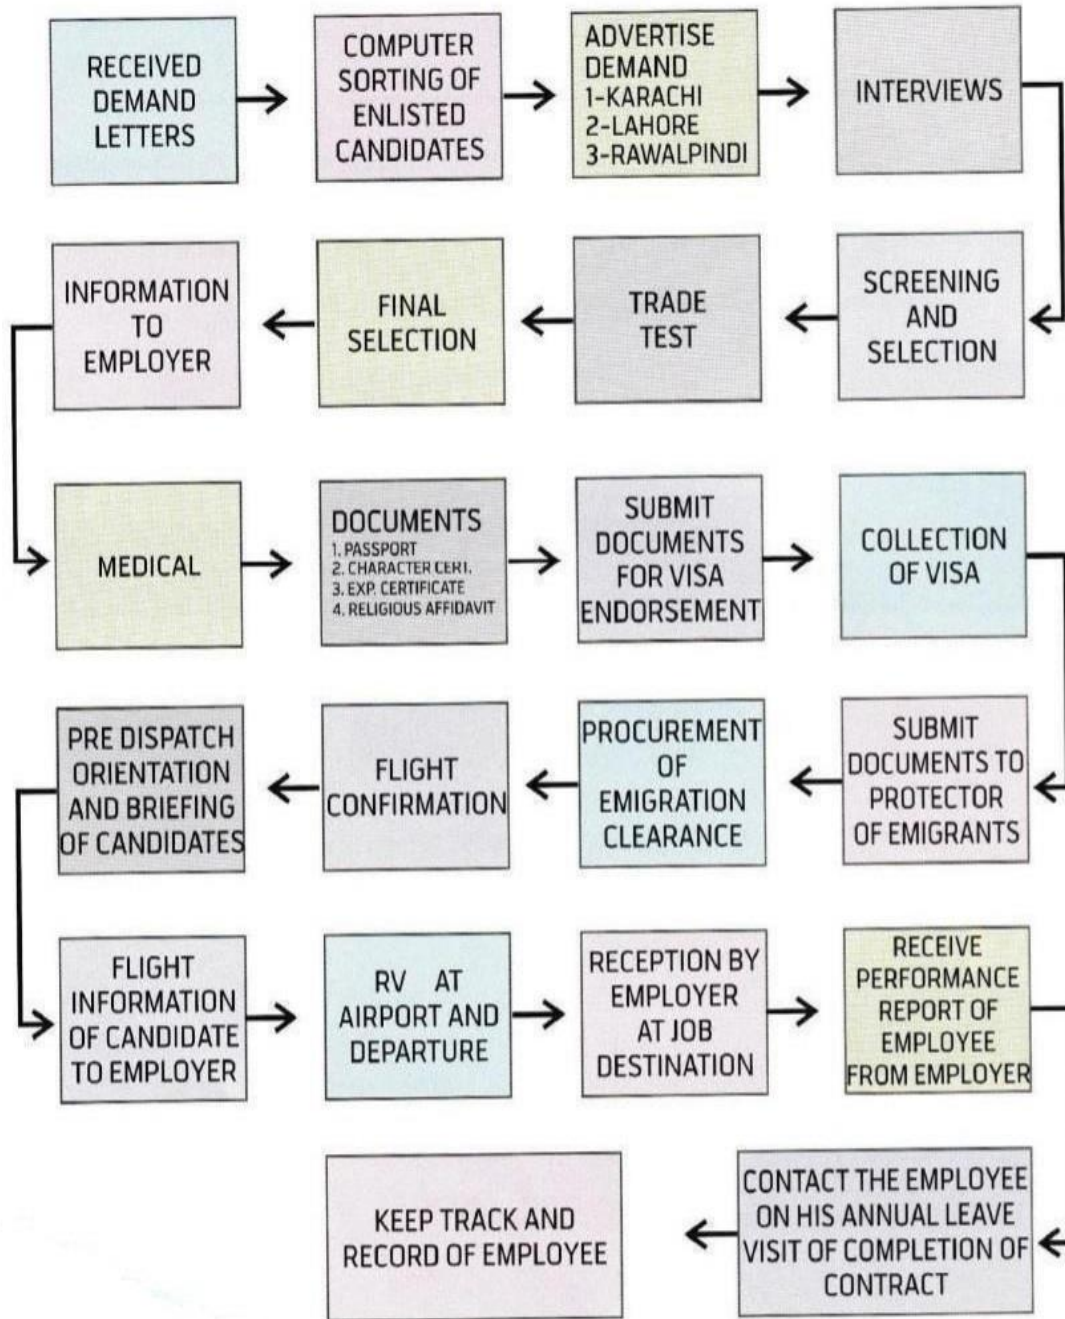

Later on, the process mentioned above is done, flight schedule is reconfirmed to the principal after protector of emigrants' clearance, then the finalist candidates are called up at office for pre departure orientation and being also briefed by the office general manager.

Yet another time the line of action and duty is briefed before the recruited candidates are dispatched as per the flight schedule. This whole procedure of processing i.e. from demand to departure take places in 2 to 3 weeks.
